Description:

VILLA EIRINE [A4: MHTE: 1015867] (1 Expanded Queen on Upper Level w/ en-suite bathroom)(+2 Singles w/ en-suite bathroom on Pool Level)(+1 Queen on Ground Level) Villa EIRENE was named "peace" because of the serenity it inspires. Villa EIRENE is perched at the top of the Agios Lazaros Mykonos private 11-Villa estate and enjoys a bird's eye view of the islands of Delos and Rhenea, over a majestic drop to the sea, offering the picture-perfect Mykonos sunset. Villa EIRENE boasts an outdoor BBQ and an outdoor dining & lounging area (sunny & shady all day long)- all in front of the 73m2 infinity pool that flows off into the Aegean horizon- and you are still less than a two-minute walk to the sea (still within the estate). Villa EIRENE has a single main entrance, one Master Bedroom (expanded Queen-size bed), with an en-suite bathroom on the upper level, and a terrace; another Master bedroom (with King-size bed- or two twins) with an en-suite bathroom on the pool level; and a third bedroom (Queen-size bed) on the ground level. The brilliant white interiors and exteriors and the subtle tasteful decorations reflect the Mykonian-elegance the island is known for, so you can totally immerse yourself in the spirit of the island. The refurbished luxury estate has daily, complimentary maid service-so you don't lift a finger, 24/7 CCTV monitoring at the periphery of the estate- so unauthorized people are detectable, Netflix- to quench your thirst for relaxed adventure, flat-screen TVs- so everyone can watch, back-up generators- to face the frequent local electric shortages, a desalination plant- so you can ignore the frequent local water shortages, and a 24/7 gate-access control. The pool can be heated for a fee.
